## A Lincoln Collage

Skills: Art/Sequencing

No study of Illinois would be complete without mentioning its favorite son, Abraham Lincoln. The people of Illinois are proud that Lincoln lived most of his life there. That is why the official state slogan is Land of Lincoln.

To make your collage, cut out the Lincoln pattern below. Trace around it on black construction paper and cut it out.

On a separate piece of paper, either draw one scene to depict a part of Lincoln's life or draw several small ones. Cut the scene(s) out and paste them on one side of the profile of Lincoln.

Cut out the 6 sentence strips that were inside your Lincoln pattern. Paste them on the other side of the profile in the order in which they occurred.
